I Can't Forget (feat. Anita Kerr Singers)

Patsy Cline

I can't forget you, I've got these memories of you
I can't forget you, I'll always be loving youOnce we were happy, we were so carefree and gay
Then something happened and you went awayI can't forget you, please tell me what must I do
My memories haunt me because I'll always love youWhere are you darlin'? Are you with someone new?
I can't forget you, I'll always be loving youI can't forget you, I've got these memories of you
I can't forget you, I'll always be loving youI can't forget you, please tell me what must I do
My memories haunt me because I'll always love youWhere are you darlin'? Are you with someone new
I can't forget you, I'll always be loving you
