

Race Against Time

Public Enemy

Everybody over here, get on up
Everybody right there, get into it
Everybody over there, get involved
Everybody just, get involved
Microphone check, microphone check
Can I get a check up from the neck up?
Can I kick a rhyme while I'm checkin' my time?
Can I get a cure 'cause you did da crime?
For sure, you're probably killin' me
With these shots, tell me what I got
An' I'm gone, pandemic, who did it?
Right, WHO did it, that's who did it
WHO, World Health Organized
Murderized, came to the aid, got paid
Doctor, doctor in a lab concocted a germ warfare
To the booty, I rocked it
105 million goin' down in da ground
Most in da black an' da brown
How did I catch this riddle?
If I didn't crossover like a Hardaway dribble
They blamed it on some green African monkey
Now ain't that funky?
While da clock is doin' da tickin' an' tock
I didn't know dat da guns aimed an' cocked
On us, on us, on us, on us
On us, on us, on us
We're runnin' outta
Time, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, time
Testin' 1, 2, testin' 1, 2
Can I get a blood check? Testin' 1, 2
Can I get a witness? Yes, you can
Can I get a witness? Yes, you can
Then check it
I'm checkin' records an' facts about da battle
To da Indian, Japanese, the whites an' the blacks
Germs, they spread it, warfare, I read it
Quote me on this, yes, again an' I said it
A bigger damage than the trigger an' glocks
A mass murder in mass from a blanket full o' smallpox
No guarantees, gettin' lesser fees
Tuskegee had us go out with disease
Please check da time, c'mon, check da rhyme
Tribe o' mine, killed by da swine
Who crossed da line? Who did da crime?
The mind of a world, destroyin' kind
We're runnin' outta
Time, time, time, time
Time, time, time, time
Time, time, time, time

Time, time, time, time
Time, timeA lil' piece of my mind while we runnin' outta time
People of color goin' out like no other kind
Mad drama, genetic gettin' wreck
Protect ya' neck, check the epidemicDrug use, addiction an' murder, I heard a pregnancy
Infant mortality, rest in poverty not peace
Disease 'til deceased, sterilized, realized
That beast, so here's a word to the wiseThey got us runnin' outta
Time, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, timeTime, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, timeTime, time, time, time
Time, time, time, time
Time, time, time, time
Time, time, time, timeBoy, you need to check that alarm clock
And wake up, my brother
