

Happyface

Toadies

I try to wish you away
I'll do more than wishin' someday
No, no, no more, son of a bitch
No, no, no more wishin'
No, no, no more, son of a bitch, no more happyface
You and I have nothin' more to say
Ah, we'll do more than talkin' someday
No, no, no more, son of a bitch
No, no, no more talkin'
No, no, no more, son of a bitch, no more happyface
No, no, no more, son of a bitch
No, no, no more talkin'
No, no, no more, son of a bitch

No more happyface
If I could find the will to kill
Get it
Here we go again
No, no, no more, son of a bitch
No, no, no, no more, son of a bitch
No, no, no more, son of a bitch
No more happyface
If I could find the will to kill
Well, I'll kill you, son of a bitch
