

# Don't Let Me Down

## No Doubt

Laughing so hard, I got tears in my eyes  
I walk in the park, under sapphire skies  
Oh, I can't believe that you're still around  
I almost forgot how you let me down  
I'm crying so deep that I, I think I might die  
Your mistakes I keep in the back of my mind  
And so hard to let go but I'm comin' round  
The scars are still fragile, don't let me down  
So don't blow it, no not a little bit  
'Cause now you're all mine don't you forget it  
And don't blow it even a little bit  
'Cause now you're all mine don't you forget it  
Don't let me down  
Don't let me down  
Don't let me down  
And time after time it's just a too much to take  
I've waited so long just to get to this place  
And finally it feels like the lost was found  
You got me filled up now don't let me down  
(Don't let me down)  
So don't blow it, no not a little bit  
'Cause now you're all mine, don't you forget it  
And don't blow it even a little bit  
'Cause now you're all mine, don't you forget it  
So don't blow it, no not a little bit  
'Cause now you're all mine, don't you forget it  
And don't blow it even a little bit  
'Cause now you're all mine, don't you forget it  
(Don't let me down)  
So don't blow it, no not a little bit  
'Cause now you're all mine, don't you forget it  
And don't blow it even a little bit  
'Cause now you're all mine, don't you forget it  
So don't blow it, no not a little bit  
'Cause now you're all mine, don't you forget it  
And don't blow it even a little bit  
'Cause now you're all mine, don't you forget it  
(Don't let me down)

Don't let me down  
(Don't let me down)  
Don't let me down  
(Don't let me down)  
Don't let me down  
(Don't let me down)
