

# Say It Ain't so Bad

Brandon & Leah

Sometimes you feel like a stepping stone  
You let him rest and then be gone  
You thought this time youâ€™d be the one  
He hung the moon before he stole the sun  
But oh youâ€™re just so beautiful  
Don't ya know that youâ€™re still beautiful

No matter who you are life goes on  
Say it ainâ€™t so, say it ainâ€™t so bad  
No matter where you go don't be scared  
Say it ainâ€™t so, say it ain't so bad

The more you think, the worse you feel  
The less you do, the less you heal  
You leave the lights down low  
But it don't make it easier to be alone  
But ohhhh  
Youâ€™re just so beautiful  
Don't ya know that youâ€™re still beautiful

No matter who you are, life goes on  
Say it ainâ€™t so, say it ainâ€™t so bad  
No matter where you go, don't be scared  
Say it ainâ€™t so, say it ainâ€™t so bad

And if winter comes with snow, will you find your way back home  
Cause Iâ€™ll be waiting  
All you really need to know  
You knowwww

No matter who you are, life goes on  
Say it ainâ€™t so, say it ainâ€™t so bad  
No matter where you go, donâ€™t be scared  
Say it ainâ€™t so, say it ainâ€™t so bad
