

Love Is Right

Raven Bishop

Baby you're my joy ride tonight.
Tonight baby.
We're gonna dance.
Just wanna get you right.
Baby love is so right.
I just wanna get you right. Baby you're my joy ride.
Tonight, I just wanna get you right.
So right, baby. Baby you're my joy ride.
Tonight.
You're my joy ride.
Tonight, baby.
Baby you're my joy ride.
Tonight. Baby tonight.
Baby tonight.
You're my joy ride.
Love is so right, baby.
Baby tonight.
Baby, baby.
We'll make love right.
