When You Give Yourself Away

Gary Allan

When you give yourself away
Love becomes somethin' that you do
Not just somethin' that you sayAin't it funny how a smile
Makes the world a better place
When you give yourself awayWhen you open up your heart
You never know how it's gonna end
And that's the scary partWalls are gonna tumble on down
Dam's gonna break
When you give yourself awayAnd reaching out for someone
Is all that we can do
You reach out for me, babe
I'll reach out for youWhen you look up to the sky
Feel like ya just don't belong
And wishin' you could flyYou find out you're not alone
And really all the same
When you give yourself away
When you give yourself awayGive yourself away
Never know how it's gonna end
That's the scary part
You've got to give yourself away
