What You Got

Reveille

What you got
What you got
What you gotYou better buck, buck, buckle up, prepare for this impact
Car crash whiplash, 'Bam', snap your neck back in half
Why can't I just be realistic?
Give 'em what they want and make the biddies go ballisticSadistic motherfuckers playing complicated
Well, never under-estimate the under-estimated
Opinionated, elevated, sticking to my guns
And I think your gonna get just what you got comingThat's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty
It's what you got, what you got, what you got comingThat's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty
It's what you got, what you got, what you got comingYo, can I ask you something? what the fuck is up man?
You got nothing, it's just a fairy tale your stuck in
I'm sucking from that 7 on 7
Pumping and roughing up all of these fakes that be bluffingNothing you can say could ever take this away now
Stay down and stay the fuck away from this playground
Lyrical hijack, put my madness to my method
Check it, mic in my hand, nah, more like a lethal weaponThat's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty
It's what you got, what you got, what you got comingThat's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty
It's what you got, what you got, what you got comingWhat you got, what you got?
What you, what you, what you, what youGo blind, bring the drums, better yet, here we come
You take back what you done or you can tuck tail and run
Ready or not, find yourself and if you dare stop running
I think your gonna get just what you got coming, bring itYour gonna get just what you got, what you got?
Your gonna get just what you got, what you got?
Your gonna get just what you got, what you got?
Your gonna get just what you got comingSo what the fuck you got?That's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty
It's what you got, what you got, what you got comingThat's the penalty, that's the penalty
Payback's a bitch, so you best keep running
That's the penalty, that's the penalty

It's what you got, what you got, what you got coming
