Someone Somewhere Scorned

Godflesh

Someone somewhere scorned
Never will forget
Someone somewhere scorned
Never can forgetBurning, No desire
No friends, Inside my mindI'll never change, Yet still you burn
I'll never change, And I feel scornedBurning, In our mind
Inside my mind, Burns desireBurning, No desire
Your mind, Inside my mindI'll never change, And I feel scorned
I'll never change, I must be burned
