

# You'd Be so Nice to Come Home To

## Paul Chambers

You'd be so nice to come home to  
You'd be so nice by the fire  
While the breeze on high, sang a lullaby  
You'd be all my heart could desireUnder stars chilled by the winter  
Under an August moon shining above  
You'd be so nice, you'd be paradise  
To come home to and loveUnder stars chilled by the winter  
Under an August moon burning above  
You'd be so nice, you'd be paradise  
To come home to and love
