

# Whatever It Takes

[Shedaisy](#)

Up all night, thinkin' 'bout the day  
You pull me close then you push me away  
You could keep pretending you got everything you need  
But I don't give up so easily  
Whatever it takes, I'm gonna try  
Whatever it takes, day or night  
I'll climb up that mountain, I'll touch the sky  
Everything all in one day, whatever it takes  
Life gets hard, nothin's ever free  
You don't believe in the things you can't see  
But every now and then we need  
Someone to pull us through and maybe that someone is you  
Whatever it takes, I'm gonna try  
Whatever it takes, day or night  
I'll climb up that mountain, I'll touch the sky  
Everything all in one day, whatever it takes  
It's not in my mind, I can feel it, love will unwind  
This is real, I'm not going away  
You can wonder but I'm willing to stay  
Up all night, hmm, thinkin' 'bout the day  
You'll pull me close and know just what to say  
Whatever it takes, I'm gonna try  
Whatever it takes, day or night  
I'll climb up that mountain, I'll touch the sky  
Everything all in one day, oh yeah  
Whatever it takes, I'm gonna try  
Whatever it takes, day or night  
I'll climb up that mountain, I'll touch the sky  
Everything all in one day, yeah, whatever it takes
