

# I Don't Want To Live

**Josh Gracin**

I know you said when I left, I'd regret every word  
Every breathe, every step, every minute without you, go do what you have to  
I know I said you were wrong Id move on  
It was only a matter of time till Id make it without you but this wasn't about you  
I said I needed space, a change of place to go out and live my life[Chorus]  
I don't wanna live without you anymore  
And what I wouldn't give to get us back to the way it was before  
I admit I was wrong all along, now you're gone with all that Id been living for  
I don't wanna live without you anymoreFor a couple of nights I was fine, I was high off the wine and the lights  
And my new found freedom that I thought I needed  
But that cold lonely room that I headed home to, it felt like a tomb  
I just stared at the ceiling, what an empty feeling and, baby, I apologize  
And tell me its not too late[Chorus: x2]
