## Virtual Riot

So keep your head high,  
Looking at the night sky,  
Cause now were not alone,  
At all,

So keep your head high,  
Looking at the night sky,  
Cause now were not alone,  
At all,

Were not alone,  
Were not alone,  
Were not alone,

So keep your head high,  
Looking at the night sky,  
Cause now were not alone,  
At all, at all, at all, at all,
