

The Time Has Come

Ub40

There is no time to sit around and wait
Don't you know the world, it is of love and of hate
Now is the time, we've got to be strong
We can't go wrong
Because the time has come, the time has come
To be free can't you see
Don't you know the cheating, the killing, backbiting it cannot help
'Cause' can't you see them problems, it's everyday
They've got to solve themselves
'Cause' now is the time, we gotta be strong
We can't go wrong
Because the time has come, the time has come
To be free can't you see
There is no time to sit around and wait
Don't you know the world, it is of love and of hate
'Cause now is the time, we've got to be strong
We can't go wrong
Because the time has come, the time has come
To be free can't you see
