

# Walking in the Air

## Little Voices

We're walking in the air, we're floating in a moonlit sky  
The people far below are sleeping as we fly  
I'm holding very tight, I'm riding in a midnight blue  
I'm finding I can fly, so high above with you  
Far across the world, the villages go by like trees  
The rivers and the hills, the forests and the streams  
Children gaze open mouth, taken by surprise  
Nobody down below believes their eyes

We're surfing in the air, we're swimming in the frozen sky  
We're drifting over ice, mountains floating by  
Suddenly swooping low on an ocean deep  
Arousing of a mighty monster from its sleep  
We're walking in the air, we're floating in a midnight sky  
And everyone who sees us, greets us as we fly  
I'm holding very, holding very tight, I'm riding in a midnight blue  
I'm finding I can fly, so high above with you
