Feel the Fire

Teddy Pendergrass

Somethin' that you told
Stayed in my head all night long
You wanted me to love you
When you said simply
Reach out and touch me
My love is in your handsFeel me
I want to feel the fire,
Feel me
I want to feel you, ohAnd if I should lose your love
For any reason, any reason at all
Then let my record show
I gave you all the love I know, ooh, ooh, oh, ohIt's somethin' that you told me
It stayed in my head all night long
You wanted me to love you
When you said simply
Reach out and touch me
My love is in your hands, come on, y'allFeel me
I want to feel the fire, yeah, oh
Feel me, all you got to do
I want to feel you, I want to feel you, yes, I do, ohAnd if I should lose your love
For any reason, any reason at all
Then hey, please let my record show
I gave you all the love I know, oh, oh, oh, oh, oh, ohFeel the fire
Feel, oh
Don't try to play with my emotions
Give me love, give me all the love and all your devotionOh, oh, oh, oh
Feel the fire
Feel the fire
Don't, don't try to play with myFeel the fire
Feel the fire
Feel the fire
