

Beauty On the Fire

[Natalie Imbruglia](#)

Here it comes again
Cannot out run my desire
Cover my decent
And throw the beauty on the fire Drawn towards the edge
Do I assume I could fly
Every secret shared
Why do I drink the feelings dry Don't go too far
Limitation scars Tonight, could I be lost forever
To drown, my soul in sensory pleasure? Here it comes again
You raise the bar even higher
I cannot catch my breath
So throw the beauty on the fire Don't push too hard
Limitation scars Tonight, could I be lost forever
To drown, my soul in sensory pleasure?
Sensory pleasure
Sensory pleasure
Sensory pleasure
Could I be lost forever? Do I assume I could fly Tonight, could I be lost forever
To drown, my soul in sensory pleasure?
Sensory pleasure
Sensory pleasure
Sensory pleasure
Could I be lost forever?
