

# Standing Out in the Rain

## Uncle Green

You got me up in the morning  
But I don't think that you've seen my  
Point of view  
I'm sure that I've got my whole life too

Standing out in the rain  
Standing out in the rain  
It's not that I'm afraid  
But it makes me wonder  
Got my backbone when I was younger

That lookin' off in the distance  
Is telling me that  
You're not listening now  
You've gotta learn how to care, somehow

Standing out in the rain  
Standing out in the rain  
It's not that I'm afraid  
But it makes me wonder  
Got my backbone when I was younger, too

Maybe I  
Let me lie here  
Shade of doubt  
Day and night here  
Maybe I  
Let me die here  
Let the wind wash away...

Just being up in the morning  
Well there's a sign that I've  
Really come around

Standing out in the rain  
Standing out in the rain  
It's not that I'm afraid  
But it makes me wonder  
Got my backbone when I was younger  
Standing out in the rain
