

# Promised You a Miracle (US Remix)

## Simple Minds

Promised you a miracle  
Belief is a beauty thing  
Promises, promises  
As golden days break wondering Chance as love takes a train  
Summer breeze and brilliant light  
Only love she sees, he controls on love  
Love sails to a new life Promised you a miracle  
Belief is a beauty thing  
Promises, promises  
As golden days break wondering Only love she sees, he controls on love  
Life mirrors a cure, everything is possible  
With promises everything is possible, oh no I promised you a miracle  
Belief is a beauty thing  
Promises, promises  
As golden days break wondering Chance, reflects on them a while  
Love screams so quietly  
Slipping back on golden times  
Breathing with sweet memories Promised you a miracle  
Oh, belief is a beauty thing  
Promises, promises  
As golden days break wondering Only love she sees, he controls on love  
Life mirrors a cure an' everything is possible  
In the game of life everything is possible, oh no Chance, lost pearls of great price  
Take care of family  
Only aches for love, love waits for fame  
In chance, in chance they'll see I promised you a miracle  
Oh, belief is a beauty thing  
Promises, promises  
As golden days break wondering Only love she sees, he controls on love  
Life throws a cure, everything is possible  
In the game of life, a burning dream  
You can be queen, everything is possible She sees only love, he controls on love  
Life throws a cure, in the game of life  
Everything is possible, a burning dream  
You can be queen, everything is possible
