Too Much Is Not Enough

The Bellamy Brothers

My friends all say that
I'm losing touch with reality
'Cause you're just too much

My life's been going down
Even quit my job
They all say, give him up
Makes a life too hard
But I say

[Chorus]
Too much is not enough
Too much is not enough
Too much is not enough
Of your love, love, love
Too much is not enough
Too much is not enough
Too much is not enough
Of your love, love, love

I keep praying it will never end
I just wanna be your lover
Log on to Top40db.
I don't care about my friends

You keep coming on
With that sweet caress
All those subtle looks
And that scorching kiss
And I say

[Chorus]

I'm getting weaker
As the day goes by
But your mind won't
Let my body quit

Just keep thinking
'Bout your flashy smile

And everything that comes with it

One of these days
Maybe they'll understand
That I'm happiest
Melting in your hands

I can't resist you
I can't control you
I could never leave you
Just wanna hold you

[Chorus x2]

My friends all say
You got to give her up
But I say

[Chorus]

I'm getting weaker
As the day goes by
But I say
