

# Breaking Down

## Florence + the Machine

All alone it was always there you see  
And even on my own  
It was always standing next to me  
I can see it coming from the edge of the room  
Creeping in the streetlight holding my hand in the pale gloom  
Can you see it coming now?

Ah-ah, ah-ah I think I'm breaking down again  
Ah-ah, ah-ah I think I'm breaking down

All alone even when I was a child  
I've always known there was something to be frightened of  
I can see it coming from the edge of the room  
Creeping in the streetlight holding my hand in the pale gloom  
Can you see it coming now?

Ah-ah, ah-ah I think I'm breaking down again  
Ah-ah, ah-ah I think I'm breaking down

All alone on the edge of sleep  
My old familiar friend  
Comes and lies down next to me  
And I can see it coming from the edge of the room  
Smiling in the streetlight even with my eyes shut tight  
I still see it coming now

Ah-ah, ah-ah I think I'm breaking down again  
Ah-ah, ah-ah I think I'm breaking down again  
Ah-ah, ah-ah I think I'm breaking down again  
Ah-ah, ah-ah I think I'm breaking down
