

# Speak to the Sky (Re-Recorded)

[Rick Springfield](#)

Speak to the sky when ever things go wrong  
And you know you're not talkin' to the air, to the air  
And the world will look better from up there  
Speak to the sky 'cause things can get ya down  
And you know when you're talkin' to the Lord, to the Lord  
The world will look better than before  
And if I stumble and it seems that I am blind  
Or if the road I'm on seems awful hard to find  
And though my conversation doesn't always rhyme  
I always try to find some time to  
Speak to the sky and tell you how I feel  
And to know sometimes what I say ain't right  
It's all right  
Cause I speak to the sky every night  
And if I stumble and it seems that I am blind  
Or if the road I'm on seems awful hard to find  
And though my conversation doesn't always rhyme  
I always try to find some time to  
Speak to the sky and tell you how I feel  
And to know sometimes what I say ain't right  
It's all right  
Cause I speak to the sky every night  
Speak to the sky when ever things go wrong  
And you know you're not talkin' to the air, to the air  
And the world will look better from up there
