

# Jah Love

## Busy Signal

Kings of kings, Halilujah, Halilujah  
Lord of Lord, Halilujah, Halilujah  
In the begining was the word

I and I dream say this thing haffi go change up  
I saw the burning bush yes jah  
I saw the sun by day and the stars by night yea  
On and On jah love flows on  
On and on and on like the rivers of Jordan

Bless, Jah love will never fades its always there  
Evil may rise but with jah light i have no fear  
See a man face blind to the heart so best beware  
No matter what mankind do or say  
A jah govern the atmosphere

To bald head and rasta,a,a  
A love mi preach all ova,a,a  
Tune in dem positivity yah,a,a  
Worldwide not just Jamaica,a,a  
Wise word teach wisdom for ever,a,a  
No way no evil can conquer,a,a  
Yow, so when dem a hype and over dweet  
Just remember jah earth belongs to the meeks

Jah love will never fades its always there  
Evil may rise but with jah light i have no fear  
See a man face blind to the heart so best beware  
No matter what mankind do or say  
A jah govern the atmosphere

Life is a battle fied so we keep on trading  
And anything can happen  
look how the murderers and chain grabbing  
More global due is spaming  
I and I is stand can't push me over no edge nor landing  
Goes on the story goes on  
Well I and I tired fi hear bout the 666  
Anglican dem wah fight baptist  
Hey, Wonder wah inna di givinchi code

Angels demons catholics  
But, Just like in the days of Daniel  
Jah rescue his people from the pit and the ditch

Jah love will never fades its always there  
Evil may rise but with jah light i have no fear  
See a man face blind to the heart so best beware  
No matter what mankind do or say  
A jah govern the atmophere

And then no matter what dem do or think of  
It ago bitter from the cup weh dem drink of  
Dem dirty works and all dem meet weh dem link up  
Dem vampire weh a look blood fi suck'  
A man is just a man YEAH,clay's what you made of  
Jah rule the earth nuttin nuh out dah that you should be afraid of  
Cause everything weh jah design set if manifest  
Hol up you head yutes the thing bless

Yes, Jah love will never fades its always there  
Evil may rise but with jah light i have no fear  
See a man face blind to the heart so best beware  
No matter what mankind do or say  
A jah govern the atmosphere
