

Kissing Booth Makeout

Nathan Wang

What is this another missed call?
Do you know he be calling me in the middle of the night yeah
What is it that he is looking for? Do you know when he is holding you his eyes are up to me
So put a leash on your man girl
And hold his hand tightly
Hold his hand tightly
Cuz he's the one who's flirting with me
He's the one who's messaging me
He's the one who keeps calling me yeah Angifuni indoda yakho
Angifuni indoda yakho
Angifuni indoda yakho
Don't be so spicy
When he's the one who spys on me girl
Don't be so spicy
When he's the one who spys on me girl
Here we go again
Now he's calling up me friends
Trying to get to me
So what are you going to say? You gonna say I'm lying
I'm the one who is trying
Girl let me tell you something
I don't take no second man
So put a leash on your man girl
And hold his hand tightly
Hold his hand tightly
Cuz he's the one who's flirting with me
He's the one who's messaging me
He's the one who keeps calling me yeah
Angifuni indoda yakho
Angifuni indoda yakho
Angifuni indoda yakho Don't be so spicy
When he's the one who spys on me girl
Don't be so spicy
When he's the one who spys on me girl I don't want
I don't want no
I don't want
Angifuni indoda yakho
I don't want
I don't want no

I don't wantAngifuni indoda yakho
So put a leash on your man girl
And hold his hand tightly
Hold his hand tightly
Cuz he's the one who is flirting with me
He's the one who's messaging me
He's the one who keeps calling me yeahAngifuni indoda yakho
Angifuni indoda yakho
Angifuni indoda yakho
Don't be so spicy
When he's the one who spys on me girl
Don't be so spicy
Angifuni indoda yakho
