

Sirens

Fleurie

Out in the darkness I saw an angel
Held back the flood until the sky fell
I see the future covered in roses
Waves of gold as the door closes I can hear the sirens
I can hear the sirens
I can hear the sirens
I can hear the sirens After the fire drove out the sparrows
All of the clouds hang like owls
Hey are you listening, I cannot reach you
I'm on the other side, trying to break through I can hear the sirens
I can hear the sirens
I can hear the sirens
I can hear the sirens
