

# Beautiful World

å®‡åšç”°ãf’ã,«ãf«

All the noise and the voices are screaming what they have to say  
And the headlines and sound bites are giving me demons to hate

And the man on TV, he tells me it's ugly

But if you ask me

It's a beautiful world

It's a beautiful world

Ooh, there's tears and there's fears and there's losses and crosses to bear

And sometimes the best we can do is just to whisper a prayer

Then press on because there's so much to live for

And so much to love

In this beautiful world

Say what you will but I still believe

It's a beautiful world

It's a beautiful world

And I know I'm not dreaming

I just choose to believe it

So I hate that I sometimes miss what's right in front of my eyes, oh

And I know at the end of my road I'll be wanting more time

Just another sunset, one more kiss from my baby

A smile from my friend

In this beautiful world

It's a beautiful world

Yeah, it's a beautiful world

Say what you will but I still believe

It's a beautiful world

Yeah, it's a beautiful world

Oh, it's a beautiful world
