

What It Is (Ft. Rick Ross And Kollosus)

Gorilla Zoe

We took the foes off the Chevy and we sat it those sixes (sixes)

Lipstick on them rims got them rims blowing kisses (kisses)

They know what it is

Y'all know what it is

He know what is is

She know what it is Twenty rubber bands you could get your self a pigeon (pigeon)

Bring another ban get yourself a pound a midget (midget)

They know what it is

Y'all know what it is

He know what is is

She know what it is On them 26s shirts on a 71 chevel

Like I'm riding carousel shorty I cant parallel,
