2Tone Army (TwoTone Army)

The Toasters

There's a new bug that's goin' around,
Gonna blast shockwaves over your town.
Take your own system and knock it down,
With a nineties beat on a fifties sound.
They're wearing bomber flights and combat boots,
Skater pants and sixties suits.
In a lifestyle that's hard to refute,
It's a modern look, but it's all about roots.2-Tone Army! (Go ahead! Go ahead!)
2-Tone Army! (Go ahead! Go ahead!)You don't need no member to let yourself in.
You don't need no language or color of skin.
Don't need no money to make a contribution,
To be a part of the 2-Tone revolution.2-Tone Army! (Go ahead! Go ahead!)
2-Tone Army! (Go ahead! Go ahead!)There's a new bug that's goin' around,
Gonna blast shockwaves all over your town.
Your fucking system and smash it down,
It's a nineties beat on a fifties sound.
They're wearing bomber flights and combat boots,
Skater pants and sixties suits.
It's a lifestyle that's hard to refute,
It's looks real modern but it's all about roots.2-Tone Army! (Go ahead! Go ahead!)
