## **Pulse Of Minority**

## **Dark Age**

Break it down...andReload all your senses
Cause they will never care for your tears
Be aware of your chances
Cause they will never take all your fears
(If you are) lost, be part of the rising
A new scenario will change aliesing
The jaded domination
Is worth a new creationThis is the Pulse of Minority
Let this break all their authorityRevolute - Evolute your self
