

# If I Fell

Evan Rachel Wood

If I fell in love with you  
Would you promise to be true?  
And help me understand  
'Cause I've been in love before  
And I've found that love was more  
Than just holding handsIf I gave my heart to you  
I must be sure from the very start  
That you would love me more than herIf I trust in you, oh please  
Don't run and hide  
If I love you too, oh please  
Don't hurt my pride like her'Cause I couldn't stand the pain  
And I would be sad  
If our new love was in vainSo I hope you see  
That I would love to love you  
And that she will cry  
When she learns we are two'Cause I couldn't stand the pain  
And I would be sad  
If our new love was in vainSo I hope you see  
That I would love to love you  
And that she will cry  
When she learns we are two  
If I fell in love with you
