

Feed Me to the Lions

Collide

Too emotional am I?
Too emotional am I?
With a spirit soaring
Ten miles high
I sing loud words
That make me cry
Too emotional are we?
Too emotional are we?
Defying all security
I mean to keep this fire in me
Because you're feeding me to the lions
You're feeding me to the lions
Feeding me to the lions
Too emotional are you?
Too emotional are you?
With just one heart
To see you through
A world where facts
Are so untrue
