# Nearly Lost You

## Screaming Trees

Did you hear the distant cry
Calling me back to my sin?
Like the one you knew before
Calling me back once againI nearly, I nearly lost you there
And it's taken us somewhere
I nearly lost you there
Well let's try to sleep nowDrag me far enough to know
I'm blind every mile that you burn
There's a rider that's fallen
And it's clear there's no time to returnI nearly, I nearly lost you there
And it's taken us somewhere
I nearly lost you there
Well let's try to sleep nowDid you hear the distant lie
Calling me back to my sin?
Like the one you knew before
Calling me back once againI nearly, I nearly lost you there
And it's taken us somewhere
I nearly lost you there
Well let's try to sleep nowI nearly lost you there, I nearly lost you
I nearly lost you there, I nearly lost you there
I nearly lost you there
Oh yeah, I oh, nearly lost you there
