

The Undertaken

Motorjesus

I'm seeing you today
Don't know where I was going
I just want you to see it all my way
It throws me off the tracks
And I still grin and bear it
Now all my memories are left for me
So I will fall
I'm sleeping
This pain is everlasting
This sleep is never-ending
I realize
All in your eyes
I am awaking
All those I see
Affecting me
The undertaken
All words are spoken now
I'm bound within this game
I'm dying down inside
Every single day
So I will fall
I'm sleeping
This pain is everlasting
This sleep is never-ending
I realize
All in your eyes
I am awaking
All those I see
Affecting me
The undertaken
