

We Need A Little Christmas

[Johnny Mathis](#)

Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking
I may be rushing things but deck the halls again now
For we need a little Christmas right this very minute
Candles in the window, carols at the spinet
Yes, we need a little Christmas right this very minute
Hasn't snowed a single flurry, but Santa dear we're in a hurry
Climb down the chimney
Turn on the brightest string of lights I've ever seen
Slice up the fruit cake
It's time we've hung some tinsel on the evergreen bough
For I've grown a little leaner, grown a little colder
Grown a little sadder, grown a little older
And I need a little angel sitting on my shoulder
Need a little Christmas now
