

Charon

Keaton Henson

And It seems as though
I'm on my own
And time transcends, oh!And it seems I speak
Like waters leak
And I'm losing friends, oh!And there'll be coins on my eyes
There'll be coins on my eyes
To pay Charon
Before I let you near my sonAnd I don't feel well
Oh, couldn't you tell,
From the way I touch my face?My thoughts are low
And I cannot grow
In this small space, oh!But there'll be coins on my eyes
There'll be coins on my eyes
To pay Charon,
Before I let you near my sonAnd I ain't no,
And I ain't no,
And I ain't no Hercules
I ain't no Hercules
