Peaches N Cream

Snoop Dogg

She's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumping
Peaches and creamUh oh, there she go, that's that look all on her face
Shorty dancin' like she knows she's the baddest in the place
Hey, hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?
Got a freak em dress on, them newbies on her feet
And them bottles with the sparkles
So the other girls can see that she's
Hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?She's too fly for words
And where I'm at now I'm too high for birds
Shorty, what you think about my return?
Cause what he think about it ain't my concern
I ain't come for you, I came for your misses
I don't do it for the haters, I do it for the players
Well okay, I do it for the riches
But in the meantime and then between time
Shorty right there gon' get it if she with it if she ain't
And I know her partner down
Cause her partner throwing shots every time I turn around
And her partners bringing partners every time I come to town
I'm a G6 sir, a Maybach-er
You can tell the chauffeur he can park it right there
And I'm a walk up to the club upstairs
And when I come down he can bring it back hereShe's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumping
Peaches and creamUh oh, there she go, that's that look all on her face
Shorty dancin' like she knows she's the baddest in the place
Hey, hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?
Got a freak em dress on, them newbies on her feet
And them bottles with the sparkles
So the other girls can see that she's
Hey, I wanna get with you (Freak, don't fail me now)

Hey, so what you wanna do?I came to cut right now
Big Snoop Dogg and I came to get down
Yes, I'm internationally known
Libra love that make you moan and groan
Burn my cash like race cars
Two bad broads with the bass on
I never let her go, girl that I'd wait for
I seal my deal like Jay does
All that and then some
Pimp real for real when I win some
I remember what you thinking
Black shades on, drinking while you blinking
Something fly, white limousine
Make a clean getaway
I loved your clothes when you walked on by
The way you let it outShe's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumping
Peaches and creamUh oh, there she go, that's that look all on her face
Shorty dancin' like she knows she's the baddest in the place
Hey, hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?
Got a freak em dress on, them newbies on her feet
And them bottles with the sparkles
So the other girls can see that she's
Hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?Everybody in the world
Here we go
Fill your body
With the smoke
And that's the way to goShe's 'bout to go in
She likes that low end
Damn, her ass is so big
Just keep it bumping
Peaches and creamUh oh, there she go, that's that look all on her face
Shorty dancin' like she knows she's the baddest in the place
Hey, hey, I wanna get with you (Freak, don't fail me now)
Hey, so what you wanna do?
