

# Blue Moon Of Kentucky

[Al Kooper](#)

Monroe Well blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue  
Well blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue. Well it was on one moonlight night where the stars are shining  
bright  
Wind blowin' high, my love said goodbye  
Blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue.  
It was on one moonlight night where the stars are shining bright  
Wind blowin' high, my love said goodbye  
Blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue. Well blue moon, well blue moon, yeah blue moon shine away  
Well blue moon keep on shining bright  
Bring my baby back tonight  
Blue moon, keep on shining bright. Well blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue  
Yeah blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue.  
It was on one moonlight night where the stars are shining bright  
Wind blowin' high, my love said goodbye  
Blue moon of Kentucky, keep on shining  
Shine on the one that's gone and left me blue  
Yes shine on the one that's gone and left me blue.
