Crazy Dream

The Ricochets

I tried to find myself
For a very long time
Somewhere I lost myself
Its so hard to find my way back home
My body's roaming all day long
Feels like a real bad dream
I try so hard to break free
And even though I try
Something else is got a hold on me
Will I ever be in control of me
When will I wake up
Escape from this crazy dream
Maybe tomorrow
I'll find a better dream for me
The shiver in my soul
Whoa I think I'm gonna go
But in the depth of my mind
There's a place that only I have seen
Will it ever be reality
So When will I wake up
Escape from this crazy dream
Maybe tomorrow
I'll find a better dream for me
And no matter how hard I try
Well I just can't seem to open up my eyes
So When will I wake up
Escape from this crazy dream
Maybe tomorrow
I'll find a better dream for me
