Closer To You

Novastar

You the jagged streets I stumble
Trampled on and on the foot all my life
Have I got it any closer to you now?
And the sea it rumbles
Trembles on and off the shore of my mind
Have I got it any closer to you now?
Oeeh
You are my soul
Oeeh
You are my soul
Sky
You the jagged streets I stumble
Always been misunderstood all my life
Have I got it any closer to you now?
And your love comes running
Bringing sweet reliefs some how
I can really feel it now
All my life
All my life, All my life, All my lifeOeeh you are my soul
Oeeh you are my soul
Skyyyyyy
Skyyyyyyyyyy
You the solid streets I wonder
Searching like I've always done all my life
Am I really getting closer to you now
And my heart it trembles, my dear trembles
Seeking wonderful love
Chasing wonderful love
Feeling wonderful love
And I know, and I know,
I'm getting closer to you now, tonight
Am I really getting closer to you now, tonightOh become my soul, sky.
