

# Touchy! (2015 Remastered)

[a-ha](#)

Donna found us in her slow and dreamy way  
I can't hear a word the waiter says  
She's looking older than the color of her hair  
She walks into the room too pleased to find me there  
Me I'm touchy  
Touchy you  
Me I'm touchy  
And you know what to do  
Me I'm touchy  
Touchy, touchy you  
Me I'm touchy and you know what to do  
Both of us together in a room by ourselves  
I sneeze to look around, bye there's no escape  
What can I do, what can I say  
She's waiting for this moment to explain itself  
Me I'm touchy  
Touchy you  
Me I'm touchy  
And you know what to do  
Me I'm touchy  
Touchy, touchy you  
Touching love is the best I can do  
Hey, this time you've gone too far  
You know how touchy we are  
Donna found me in her slow and dreamy way  
Now she reads me what the paper say  
The way she laughs and what I do  
I'm waiting for this moment to explain itself through  
Me I'm touchy...etc
