Heart Runs

John Mark McMillan

Like deer to the pool
I'm coming after you
Like a thirsty animal
My heart is for your loveLike Jonah from the deep
I'm coming out of my sleep
To find the secrets that you keep
Is the only thing worth rising forFrom the dirt you've drawn me out
And you draw me out again
I'm coming back from the dead
I'm coming out of my skinAnd you are everything my heart wants
Everything my heart wants
And my heart runs
My heart runs after youLike breakers on the shore
You're knocking on my door
Like the deepest places in you
Calling to the fountains of my soulFrom the dirt you've drawn me out
And you draw me out again
I'm coming back from the dead
I'm coming out of my skinAnd you are everything my heart wants
Everything my heart wants
And my heart runs
My heart runs after you(So) My heart runs
(So) My heart runs
(So) My heart runs
My heart runs after you
