

Say Goodnight (Acoustic)

Bullet for My Valentine

Heaven's waiting for you
Just close your eyes
And say goodbye
Here in your pause
Go on and on and on

I live my life in misery
I sacrificed this world to hold you
No breath left inside of me
Shattered glass keeps falling

[Chorus]
Say
Say goodnight
Just sleep tight
Say goodnight

Flowers laid out for you
So many colors leave me blind
Seeing your face reflect from a babies eyes

I live my life in misery
I sacrificed this world to hold you
No breath left inside of me
Shattered glass keeps falling

[Chorus]
So here I am
You're inside of me
So here I am
Our worlds may suffer
So here I am
You're inside of me
So here I am
Our worlds may suffer

[Repeat x2]
Here I am with you
I'm there 'til the end

Memories are told and
So farewell my friend
Farewell my friend!

Farewell my friend!
My friend
My friend
My friend
My friend
