

# That Certain Feeling

Ella Fitzgerald

That certain feeling  
The first time I met you  
I hit the ceiling  
I could not forget you You were completely sweet  
Oh, what could I do?  
I wanted phrases  
To sing his praises That certain feeling  
The one that they all know  
No use concealing  
I've got what they call love  
Now we're together  
Let's find out whether  
You're feeling that feeling too I felt it happen  
Just as you came in view  
Grew sort of dizzy  
Thought gee, who is he?  
That certain feeling  
I'm here to confess it  
Is so appealing  
No words can express it I cannot hide it  
I must confide it  
I'm feeling that feeling too
