Everything is by design

Here

Everything is kept inside
So take a chance and step outside
Your hopes, your dreams, your paradise
Heroes, idols cracked like iceHere

Here

Everything is kept inside
So take a chance and step outside
Pure frustration face to face
A point of view creates more waves
So take a chance and step outsideTake a chance and step outside
Lose some sleep and say you tried
Meet frustration face to face
A point of view creates more waves
