

# If You Don't Want Me

## Willie Mae

Never really felt like I belonged  
Just about that time you came along  
Led me to expect, your love and your respect  
But lately you don't let those feelings show  
I don't really want somebody else  
But I won't be your prize upon a shelf  
Rather feel this emptiness  
Than be something you possess  
If you don't want me, let me go  
Can't we both admit

We made the most of it and we were wrong  
Don't you realize  
The best years of our lives will soon be gone  
If you hold on  
I know, there must be more to life than this  
Neglected vows wrapped in a token kiss  
Lonely and ignored, I can't take it anymore  
You don't want me, you don't love me  
If you don't want me, then let me go
