Giving up on You

Wild Belle

Playing with fire, I don't wanna burn in flames
Quitting you is so hard, but I finally got away
You's bad boy, can't be tamed
You's bad boy and you never change
I'm not a criminal, but after all that you put me through
I wouldn't mind killing youI'm giving up on you
I'm giving up on you
I'm giving up on you
I gotta get away, never coming back again
I gotta get away, bullet from my loaded gun
Oh, oh, oh, oh
I gotta get away
I'm giving up on youNow I smile so bright
You can see me from out of space, look at me shine
Baby, it's about time
I was so miserable and now I feel so aliveGoodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye
I feel aliveI'm giving up on you
I'm giving up on you (oh oh)
I'm giving up on you
I'm giving up on you (oh oh)You's bad boy and you can't behave
You's bad boy and you never change
You's bad boy and you can't behave
You's bad bad bad bad bad boyTried to take it slow for the life of me
Every time you fall, you blame me for everything
I'm my own compass now
All the paths that you walk, I won't follow you downI'm giving up on you
Loving you is drinking poison
Have no other choice
So I'm giving up on you
Loving you is drinking poison
Have no other choiceI'm giving up on you
I'm giving up on you
I'm giving up on you
I'm giving up on youI gotta get away, never coming back again
I gotta get away, bullet from my loaded gun
I'm giving up on you, I'm giving up on you
I gotta get away, never coming back again

I gotta get away, bullet from my loaded gun (I'm giving up on you)
I'm giving up on you, I'm giving up on you
