Under Suspicion

The Melody Ranch Girl

Well, I've been mistreated
Lied to and cheated
Misled and abused
Like an old rag you threw away
First you fill me with thunder
Then you let me go under
You can run, you can hide
But you ain't gonna get away
'Cause you're under suspicion
(Suspicion)
Of leavin' the scene of a broken heart
Under suspicion
(Suspicion)
Of a hit and run love affair
Well, you ain't got a conscience
And you've made me the victim
Of a cruel and unusual crime
Now you're under suspicion
(Suspicion)
Under suspicion
(Under suspicion)
Under suspicion
Of a hit and run love affair
No matter where you'll be going

I got ways of knowing
Somewhere down the line
You're gonna have to pay
(You're gonna have to pay)
'Cause you're under suspicion
(Suspicion)
Of leavin' the scene of a broken heart
Under suspicion
(Suspicion)
Of a hit and run love affair
Well, you ain't got a conscience
And you've made me the victim
Of a cruel and unusual crime
Now you're under suspicion

(Suspicion)
Under suspicion
(Under suspicion)
Under suspicion
Of a hit and run love affair
Under suspicion, under suspicion
(Under suspicion, under suspicion)
Under suspicion, under suspicion
(Under suspicion, under suspicion)
Under suspicion
