

Circle of the Tyrants

Triptykon

After the battle is over
And the sands drunken the blood
All what there remains
Is the bitterness of delusionThe immortality of the gods
Sits at their side
As they leave the walls behind
To reach the jewels gleamThe days have come
When the steel will rule
And upon his head
A crown of gold
Your hand wields the might
The tyrant's the precursor
You carry the will
As the morning is nearI sing the ballads
Of victory and defeat
I hear the tales
Of frozen mysteryThe new kingdoms rise
By the circle of the tyrants
In the land of darkness
The warrior, that was me
Grotesque glory
None will ever see them fall
And hunts and war
Are like everlasting shadows
Where the winds cannot reach
The tyrant's might was born
And often I look back
With tears in my eyes
Grotesque glory
None will ever see them fall
And hunts and wars
Are like everlasting shadows
