Take Me Under

Three Days Grace

Now it seems I'm fading
All my dreams are not worth saving
I've done my share of waiting
And I've still got nowhere left to goSo I wait for you to
Take me all the waySeems you're wanting me to stay
But my dreams would surely waste away
I still have no where to go
So I waitPush me under
Pull me further
Take me all the way
Take me all the wayNow it seems you're leaving
But we've only just begun
And you've still got nowhere left to goSo I wait for you to
Take me all the wayPush me under
Pull me further
Take me all the way
Take me all the wayAnd I've been waiting so longSo I wait for you to
Take me all the way
