

Take Me Under

Three Days Grace

Now it seems I'm fading
All my dreams are not worth saving
I've done my share of waiting
And I've still got nowhere left to go So I wait for you to
Take me all the way Seems you're wanting me to stay
But my dreams would surely waste away
I still have no where to go
So I wait Push me under
Pull me further
Take me all the way
Take me all the way Now it seems you're leaving
But we've only just begun
And you've still got nowhere left to go So I wait for you to
Take me all the way Push me under
Pull me further
Take me all the way
Take me all the way And I've been waiting so long So I wait for you to
Take me all the way
